STR

RIVERSIDE STR

Shown with Prairies Wall

52" Wall Height

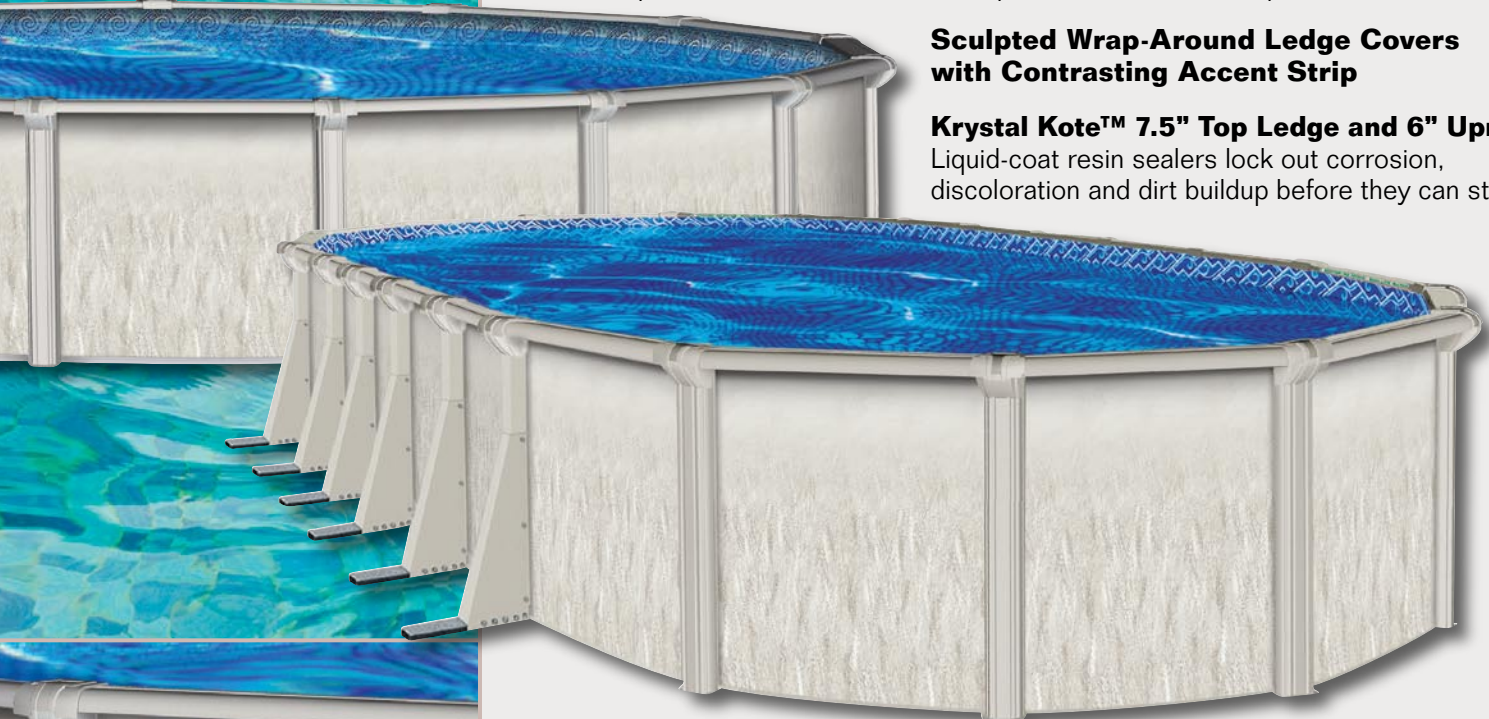

CopperGuard™ Dual Coat Top Ledge Backer

Backyard Leisure's unmatched backer system combines a bonding primer with a metallic sealer to protect the underside of the top ledge from chlorine splashback.

Sculpted Wrap-Around Ledge Covers with Contrasting Accent Strip

Krystal Kote™ 7.5" Top Ledge and 6" Uprights

Liquid-coat resin sealers lock out corrosion, discoloration and dirt buildup before they can start.

ArmorCoat™ Exterior Wall Sealer

ArmorCoat™ liquid-applied resin sealer on the outside of the galvanized steel pool wall provides maximum protection against the elements.

LiquiLok™ Epoxy Interior Wall Backer

Capillary action often draws moisture from the soil up between the wall and the liner. LiquiLok™ true epoxy repels the moisture and protects your wall.

Space-Saving Narrow Yard Ovals

40 Year Warranty:
2 Years 100%; 38 Years Prorated

The Perfect Finishing Touch

Backyard Leisure Pools offer a wide selection of deck and fence kits engineered to complement your new pool!

We've got YOUR size!

With eight round and five oval pool sizes from which to choose, there's a Riverside STR for every family.

ROUND POOLS		NARROW YARD OVALS	
Pool Size	U.S. Gallons	Pool Size	U.S. Gallons
8'	1,450	12' x 17'	5,600
12'	3,300	12' x 24'	7,600
15'	5,100	15' x 26'	10,100
18'	7,300	15' x 30'	11,700
21'	10,000	18' x 33'	15,100
24'	13,000		
27'	16,500		
30'	20,400		

Water capacities shown are with water to the middle of the skimmer and a 2" protective layer of sand under the liner.

Optional Stainless Steel Service Panel - Upgrade to the Ultimate Protection!

Over time, even the best above-ground pools can experience slow leaks around the skimmer and return as gaskets slowly wear out, subjecting the wall to constant contact with moisture. The Riverside's Stainless Steel Service Panel locks out wall corrosion for good, stopping problems before they can begin. Plus, the wide mouth skimmer opening helps keep your pool cleaner.
