# SANDY CREST

## RTR

**Shown with Glen Cove Wall**

**52" Wall Height**

**SunSafe™ Extruded Resin 8.5" Top Ledge**

The cellular high density resin in Sandy Crest RTR pools' top ledge has been scientifically formulated to resist the effects of summer sunlight and heat, ensuring the durability of your pool.

**Two-Piece Sculpted Resin Ledge Covers**

**Krystal Kote™ 7" Uprights**

Liquid-coat resin sealers lock out corrosion, discoloration and dirt buildup before they can start.

**ArmorCoat™ Exterior Wall Sealer**

ArmorCoat™ liquid-applied resin sealer on the outside of the galvanized steel wall provides the industry's best protection against the elements.

**LiquiLok™ Epoxy Interior Wall Backer**

Capillary action often draws moisture from the soil up between the wall and the liner of your pool. LiquiLok™ true epoxy repels the moisture and protects your pool wall.

**Space-Saving Narrow Yard Ovals**

**60 Year Warranty:**  
**3 Years 100%; 57 Years Prorated**

**The Perfect Finishing Touch**

Backyard Leisure Pools offer a wide selection of deck and fence kits engineered to complement your new pool!

**We've got YOUR size!**

With nine round and seven oval pool sizes from which to choose, there's a Sandy Crest RTR for every family.

ROUND POOLS		NARROW YARD OVALS	
Pool Size	U.S. Gallons	Pool Size	U.S. Gallons
8'.....	1,450	12' x 17'.....	5,600
12'.....	3,300	12' x 24'.....	7,600
15'.....	5,100	15' x 26'.....	10,100
18'.....	7,300	15' x 30'.....	11,700
21'.....	10,000	18' x 33'.....	15,100
24'.....	13,000	18' x 40'.....	21,100
27'.....	16,500	21' x 43'.....	23,400
30'.....	20,400		
33'.....	24,600		

Water capacities shown are with water to the middle of the skimmer and a 2" protective layer of sand under the liner.

**Optional Stainless Steel Service Panel - Upgrade to the Ultimate Protection!**

Over time, even the best above-ground pools can experience slow leaks around the skimmer and return as gaskets slowly wear out, subjecting the wall to constant contact with moisture. This has the potential to end the useful life of many lesser-quality swimming pools. The Sandy Crest's Stainless Steel Service Panel locks out wall corrosion for good, stopping problems before they can begin. Plus, the wide mouth skimmer opening helps keep your pool cleaner.
